Wall Construction 34
Foundations 37
Footings 37
Foundation Wall Systems 38
Monolithic Slabs 39
Exercise – Creating a Second Floor and Foundation 39
Doors 45
Depicting a Door in a Floor Plan 51
Exercise - Inserting Doors 51
Windows 56
Depicting Windows in a Floor Plan 59
Exercise - Inserting Windows 59
Openings 62
Depicting an Opening on a Floor Plan 62
Exercise - Inserting Openings 62
Stairs 64
Depicting Stairs on a Floor Plan 66
Exercise - Inserting Stairs 66
Floors 69
Exercise - Inserting Floors 71
Cutting an Opening in a Floor 73
Ceilings 75

Exercise – Inserting Ceilings 77
Roofs 78
Depicting a Roof on a Floor Plan 81
Exercise – Inserting Roofs 82
Exercise – Modifying a Roof 85
Exercise – Creating an Inset Dormer 86
Exercise – Creating a Flush Dormer 89
Review – Roofs in Envisioneer 90
Beams 91
Depicting Beams on a Floor Plan 91
Exercise – Inserting a Beam 92
Columns 93
Depicting Columns on a Floor Plan 93
Exercise – Inserting a Column and Footing 94
Review – Materials and Methods 96
Additional Activities 99

INTERIOR DESIGN 101

3D Viewing & Navigation 102
Exercise - Viewing Your Model 102
Kitchen Design 107
Depicting Cabinetry on a Floor Plan 108
Exercise – Building a Kitchen 108
Exercise – Inserting Cabinets 111
Exercise - Customizing Cabinets 113
Exercise - Inserting Custom Kitchen Elements 115
Exercise – Using the Materials Paintbrush 120

Review – Kitchen Design in Envisioneer 121

Bathroom Design 121

Exercise – Inserting a Vanity 122

Exercise – Inserting Bathtubs and Platforms 125

Review – Bathroom Design in Envisioneer 128

PRESENTATION DRAWINGS 129

Renderings 130

Exercise – Understanding Material Properties 130

Lighting 132

Exercise - Inserting Lights 132

Exercise – Creating a Rendering 133

Animations 136

Exercise – Creating an Animation 136

Review – Presentation Drawings 138

Additional Activities 139

ANNOTATION 141

Dimensions 142

Exercise - Adding Dimensions 143

Text 145

Exercise - Adding Text 145

Exercise - Adding Door, Window and Opening Marks 147

Review – Annotation 148

Additional Activities 149

WORKING DRAWINGS 150

Working Drawing Sets 150

Paper Size 151

Scale 151
Worksheet View 152
Exercise – Working in Worksheet View 152
Floor Plans 154
Exercise – Inserting a Floor Plan 155
Title Blocks 157
Exercise – Inserting a Custom Title Block 157
Elevations 159
Exercise – Inserting Elevations 159
Sections 162
Exercise – Creating a Section 163
Exercise - Adding Detail to the Section 166
Review – Working Drawings 167
Additional Activity 167

LINEWORK 169

Line Weight 170
Exercise – Assigning Line Weights 171
Line Styles 172
Exercise – Assigning Line Types 172
Review - Linework 172
Additional Activity 173

PRINTING & FILE SHARING 175

Raster vs. Vector Printing 175
Printing a View 176
Exercise – Printing a View 176
Sending Files to an Offsite Printer 179

Exercise – Printing to a File 179

File Sharing 180

Review – Printing and File Sharing 182

Additional Activities 182

SUMMARY 183
