ezROUTER

“Quality and Innovation”

High quality frames constructed with US made steel that is welded for rugged life is just part of the long lasting, precision attributes of an ezRouter CNC machine. Every machine comes with a panic button, a controller, and a 2-year manufacturer’s warranty! Featuring low cost packages to industrial production applications. Options and upgrades are also available, so if there’s a feature you’re looking for, ask us, it may be something we can help you with!

Scorpion

Open face/open gantry design makes material loading and unloading a breeze! Strong yet able to handle the most delicate details. Sizes: 4’ x 4’ | 4’ x 8’ | 5’ x 5’ | 5’ x 10’ | 5’ x 12’

EZ-Router

No matter if you’re cutting wood, aluminum, plastic or fiberglass, this machine can do it ALL! Sizes: 4’ x 4’ | 4’ x 8’ | 5’ x 5’ | 5’ x 10’ | 5’ x 12’ | 6’ x 12’

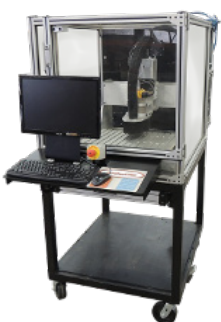

EZ-Mini

Designed to be the best small CNC router on the market today! Smaller in size but sturdy, this router is great for industrial quality for smaller projects. Sizes: 30” x 30” | 30” x 48” | 40” x 40”

EZ-Flex

This machine can come as a tabletop or stand alone, with or without caster wheels, for extra FLEXibility! Sizes: 12” x 24” | 24” x 24”

EZ-Squared

This machine’s built-in safety features make it a great choice for educational applications. The full enclosure makes it a great choice for environments that may need a little more quiet, like MakerSpaces and Fab Labs. Size: X Travel 16” | Y Travel 12” | Z Travel 7”
