

The Stewart Storage Cart

Mobile. Maker. Storage.

Want a great addition to your makerspace, classroom, art class or any other area where you need mobile storage? Then the Stewart Storage Cart is perfect! This thoughtful design was created by students with makerspace in mind! The Stewart Storage Cart comes with a double sided 10 bin storage capacity. It features a peg board side and 5" heavy duty casters. Optional lids and dividers are available for the storage bins and an additional peg board can be added to the other side.

The Stewart Storage Cart

Did You Know?

Meet Thomas, John & Gabe! They are from Stewart Middle Magnet School in Tampa, FL and they are the proud designers of the Stewart Storage Cart. The boys won a CEF design challenge through their makerspace club and CEF manufactured their design. See the full story here: www.cefinc.com/makerspace-furniture
