cef

Lookbook 2021
Furniture That Kids Love.

General Information & Terms of Use

Become A Dealer:

CEF does not sell direct to schools, so we are always looking to partner with dealers who value a genuine relationship and want to add our innovative products to their offerings. To become a dealer, please call us at 1-800-255-9189.

Pricing & Terms:

CEF makes every effort to give our dealers advance notice on any price changes. However, prices could be subject to change without notice. Freight is calculated upon request for quote and honored for 30 days from the date the quote is created. Our credit terms for invoice amounts are NET 30. Invoices are generated on the same day that product is shipped out. New customers who have not submitted proper credit references will be required to pay before product is shipped. CEF accepts Visa, Mastercard and American Express.

Purchase Orders:

Please send purchase orders to cef@cefinc.com. Please include quantity, part number, description, color selections for all product, ship to address along with consignee name and phone number.

Freight:

All pricing reflects FOB Taylorsville, NC-28681. Although we take every precaution to avoid shipping damages, unfortunately damages still take place. It is important that our freight damage guidelines are followed in order to have the best possible outcome. Failure to follow these guidelines could result in additional cost to our dealers or end users. Packages MUST be inspected carefully & thoroughly by the consignee. If there is any damage or question of damage, the consignee must ask the delivery driver to remove the packaging and inspect the product before leaving. The consignee should request the delivering carrier to record on the delivery receipt any damages to product or packaging at the time of delivery. Additionally, any shortages should be noted on the delivery receipt. If further damage is found after delivery, the delivering carrier must be notified at once of concealed damage and there should be an immediate inspection by the delivering carrier. Cartons must be held by the consignee for carrier inspection, which expires after 15 days. CEF will assist to obtain claim settlement, but the consignee must take the necessary steps to obtain the proof of loss and damages. NOTE: Carriers are not responsible for damage or shortage after the delivery receipt is signed without a damage or shortage notification! If a customer selects a freight carrier, the customer is responsible for any freight damage claims.

Returns:

Returns must be requested and authorized within 7 business days and are subject to a 25% restocking fee plus return carrier fees. Custom products are not eligible for return under any circumstances. Item(s) must be undamaged and in their original state.

Lead Times:

CEF strives to exceed customer expectations where lead times are concerned. All of our product is made to order and hand assembled by our talented manufacturing team.

Off peak season (October-April) 4-6 weeks or less

Peak season (May-September) 8-10 weeks or less

A shipping date will be assigned within 2 business days upon receipt of order. Every effort will be put forth to meet the assigned shipping date. However, there are occasional unforeseen events that can delay shipments. As a result, CEF will not pay for split shipments.

Warranty:

At the discretion of CEF, we ensure to replace or repair product which proves to be defective in original workmanship or manufacturing in which becomes evident within the first 12 years from the date of purchase. In order for CEF to honor this warranty, all products must be housed in an environment of controlled temperature and humidity, and the proper guidelines must be followed for care and cleaning.

Exceptions:

Treated Butcher Block Tops-5 years. Untreated Butcher Block Tops-1 year

Casters (Charging Carts, STEM Carts, Tables)-5 years

Metal Stools-5 years

Electrical components on all furniture & charging carts-3 years limited lifetime*

**Limited lifetime; provided by the surge protector manufacturer. Surge protectors are designed to sacrifice themselves in order to save equipment connected to them in the event of a power surge. Consequently, a surge protector that has experienced a surge and no longer conducts A/C power has performed its duty protecting connected equipment.*

Dry Erase/Markerboard Surface Laminate-1 year

Articulating, Fixed or Clamp on Mounted Monitor Arms-1 year

Locks-1 year

Pneumatic Sit to Stand Height Adjustable Base-1 year

Glass Table Tops-1 year

Exclusions:

CEF warranty does not apply to:

Product that has not been properly cared for per care and use instructions

Normal wear and tear.

Abnormal or abusive use of product.

Transit damage caused by freight carriers other than CEF truck and trailer. Please see separate guideline around freight damages.

Modifications to product that are not approved by CEF engineering.

Products that were not assembled properly, used, or maintained in accordance with product instructions and care guidelines.

Ogden School District
36" ED8's in Northsea Grey with 24" Red & Black Stools

Award Winning Furniture & Rave Reviews...

"First, let me say thank you so much! These tables are perfect for my classroom, which is an SREB Advanced Career, Aerospace Engineering Course. Your tables truly are the ultimate workstation!"

-Raphael with Harrison County Academy of Aviation Technology

"I'm in love with our ED Tables. We were able to get stools to match our room perfectly. Inspire Academy uses the lab tables for all our students from the youngest to high school. I love working with CEF and look forward to my next opportunity"

-Dana with Inspire Academy

"CEF's innovative products facilitated a one stop shopping experience with designs specific to each program and purpose. Cutting-edge product combined with remarkable customer support and competitive pricing helped make our district project a huge success!"

-Joy with Seminole County Public Schools

"I've had the pleasure of working with CEF and I've really enjoyed using their products to help my customers create welcoming and effective learning environments. Not only is the line unique and well made, but the customer service team is helpful and easy to work with."

-Ali, CEF Dealer

"Cognition's Makerspace needed furniture that was flexible, durable, and highly functional. We purchased ED Doubles, Height Adjustable Tilt Tables, and Multi-Maker Carts. We love the fun colors and the great storage space. We can move all the tables together or create separate workstations. We get tons of compliments from our visitors!"

-Jessica-Executive Director of Cognition Makerspace
