

NEW! Sit To Stand Teacher Desk

Sitting Height 30"

Pneumatic base allows for an instant transition from sit to stand position!

Shown in Wintersky with Northsea Grey Top, Base and Desk

Max Standing Height 49"

CEF's all new sit to stand teacher podium and desk combo is perfect for the multi-tasking teacher that needs total flexibility! The cart portion allows for locking storage while built-in electrical and top grommet allows for standing instruction with the ability to utilize powered technology. The desk offers a spacious top surface that is mounted to a pneumatic sit to stand base which instantly transitions from sitting to standing. **Scan the QR code the see it in action!**
